2) That Sri A H Shivananda Swamy should give up all the

Dear Sir,

I write to state that the records relating to the acquisition of S No 82 of Nituvally village, Davangere Taluk, have been submitted to the Government for according sanction to the resolution No 31, dated 26-2-1954 of the Municipal Council for having effected a compromise between the Municipality and Sri A H Shivananda Swamy, the owner of the land

In this connection, I write to bring to your kind notice that the party has preferred an appeal to the Distric Court, Shimoga against the award passed by the Land Acquisition Officer, Davangere and the case was posted for enquiry on 30-6-54 With great difficulty, an adjournment was obtained, since the District Judge is not inclined since a ny more adjournments

The financial position of the Municipality is not satisfactory and even the amount as per award passed by the Land Acquisition Officer has not been fully paid to the party Consequently the Municipality will have to pay a larger sum of money to the party in case it fails in its defence However the party came furth and agreed to settle the matter out of court by effecting a compromise Considering all the facts of the case, a compromise has been effected by the Council with the party, which is in reality more favourable to the Municipality in its present unsatisfactory financial position In case immediate orders of Government are not received the Municipality may have to bea the loss which it cannot afford at present

Under the circumstances, I request you very kindly to obtain kind sanction of Government to the above resolution immediately and intimate the same early so that the land - owner may be requested to withdraw the case now pending in the District Court

SECRETARY TO GOVT. 28 JUL 1954 LSG DEPARTMENT

I write to invite kind reference to my d o Pletter No M3 HC 32/54-55, dated the 9th July 1954 wherein I had sought orders of Government for according sanction to the Municipal Council Resolution No 31 dated 26th February 1954 for having effected a compromise between the Municipal Council and Sri A H Sivananda Swamy, the owner of the land The formal proposal was previously submitted to Government in this office letter No M3 HC-32/51-55 dated the 7th May 1954

I had specially explained to you the urgency of the matter The party has preferred an appeal to the District Court, Shimoga, against the award passed by the Land Acquisition Officer, Davangere and the case was posted for hearing on 26-7-1954 on our representation at the Court on 30-6-1954 to grant a long adjournment As the orders of Government were not received, the Government Pleader was requested to obtain another long adjournament and a clerk from this office was sent to the Government Pleader on 26-7-1954 and the Pleader has sent word that the last and final adjournment in this case has been granted by the Court and the hearing is fixed for 31st July 1954

Since the financial position of the Municipality is not affluent and will have to pay a very heavy sum in case a compromise is not effected as per decision of the Municipal Council and as the Court will not grant a further adjournment, I am sending copy of the Municipal Council Resolution both to the Land Acquisition Officer and the Government Pleader, Shimoga, to move the Court to permit the Municipality to effect a compromise with the party as decided by the Municipal Council in its resolution No 31 dated 26-2-1954

I am just informing you the course we are taking and meanwhile you may kindly obtain and communicate to me orders of Government in due course

As already explained in my previous report dated 7-5-1954, the Municipality will have to pay a large sum of money by way of compensation as the evidence on our side is not strong enough to uphold the award passed by the Land Acquisition Officer Davangere
